First Surveillance	Second Surveillance	Third Surveillance
-----------------------	------------------------	-----------------------

General Manager, Wang Xiaodong

During the validity period of the certificate, a surveillance audit shall be conducted at least once a year, and the interval between the two
audits shall not exceed 12 months.

The certification organization must conduct surveillance audit regularly and the registration certificate continues effective after the eligible
surveillance audit. The compliance label will be attached to the registration certificate after the eligible surveillance audit.

Where the scope of certification involves administrative licensing or national compulsory certification requirements, this certificate will
become invalid with the invalidation of the relevant administrative license or national compulsory certification certificate.
